## What is the GFF?

The Global Financing Facility (GFF) is an innovative global financing mechanism combining domestic, external (grant and loan) and private sector financing to achieve common reproductive, maternal, newborn, child and adolescent health (RMNCAH) goals

## Who is eligible?

- Frontrunners:**
1. DRC
  2. Ethiopia
  3. Kenya
  4. Tanzania
- 2nd Wave:**
5. Cameroon
  6. Liberia
  7. Mozambique
  8. Nigeria
  9. Senegal
  10. Uganda
  11. Guinea
  12. Sierra Leone
- 3rd Wave:**
13. Burkina Faso
  14. Central African Republic
  15. Côte d'Ivoire
  16. Madagascar
  17. Malawi
  18. Rwanda

## What is the sharpened One Plan II?

The sharpened One Plan II is the first and key step in the GFF process. It is a national strategy for RMNCAH+N that outlines prioritized investment needs that will fast-track the achievement of RMNCAH+N goals.

## What is the funding gap for Tanzania?

There are not enough available resources for RMNCH interventions in Tanzania there is an estimated gap of about US \$930 million annually.

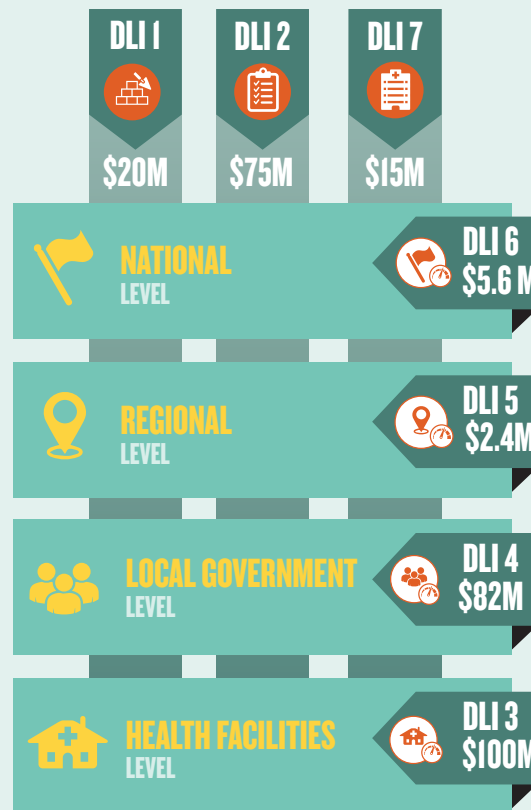

Source: HSSP IV costed plan and MOHCDGEC & MOF budget estimates

## How will the money be disbursed?

Funding is linked to specific results measured by Disbursement Linked Indicators (DLIs).

- DLI 1:** Completed all foundational activities
- DLI 2:** Achieved results in institutional strengthening across all levels
- DLI 3:** Quarterly performance facility review
- DLI 4:** Performance measured by LGA balanced scorecard
- DLI 5:** Performance measured by regional scorecards
- DLI 6:** Performance measured by National scorecards
- DLI 7:** Completed annual capacity building activities across all levels

PAD Page: 13-14

## What is the expected impact?

Key results indicators for measuring the impact of the GFF investment are based on priority themes such as family planning, nutrition and quality health services.

One Plan II Page: 25

## What does the GFF funding look like?

## What will the money pay for?

As DLIs are achieved, funding is unlocked to implement high impact interventions on these areas:
